PALAIS PAPIUS

European Domestic Interiors – Historical Handicrafts

Take a voyage into the past and visit the Lemmers-Danforth Collection. Here, you will see sumptuous furniture, handicrafts, paintings and tapestries from the 16th to the 18th centuries.

The important collection is the life's work of the Wetzlar pediatrician Dr. Irmgard von Lemmers-Danforth, who brought together around 450 objects.

The collection is housed in the Palais Papius, a distinguished building from the times of the Reichskammergericht.

Admission fees:

The principle "pay what you want" applies - you pay what the museum visit is worth to you.
