

Welcome in the municipal museums of Wetzlar

We are very pleased to welcome you again to our municipal museums.

We would like to make your stay in all our museums, here specifically in the Lottehaus and Jerusalemhaus as corresponding literary memorials, as pleasant as possible despite the Corona Pandemic.

The number of visitors must therefore be limited so that safety distances can be maintained. Until further notice, no accompaniment through the exhibitions is offered and no media guides are available. With your smartphone and your own headphones you can use our audio guide to the Lottehaus by downloading the smartphone app via the QR code available in the entrance area.

Please observe the following rules in order not to endanger yourself or others:

- Wearing a mouth-nose-mask is mandatory
- In Lottehaus and Jerusalemhaus you will be admitted individually or as a single visitor group within a time window of 30 minutes. You will be picked up personally by the security staff at the entrance, since due to the confined space in the rooms, only one visitor or a group of visitors is allowed in each room.
- Please keep a minimum distance of 2 metres to other people. This also applies to the entrance and exit areas, the staircase and the exhibition.
- Please minimize personal contact (also with the supervisory staff).
- Please also pay attention to the information boards on hygiene in the toilets and on the rules of distance in the exhibition rooms.
